

CFFE NEWS

The Cherokee Foundation For Education - Supporting Academic Achievement 5- 2019

Thank You - We Need You - Join Us!

Crazy that summer is almost over and we are ready for a new school year. We are starting to prep for our 2 largest events in the fall, The **Fall Festival** where we host a Basket Raffle and our **2nd Annual Winter Festival Craft Market**. Please reach out and consider joining us. The time commitment is not huge...we meet once a month and work by committee to coordinate events and needs for each event...so work is shared and we promise you will not be overwhelmed with tasks...just the "joy" of helping to support our high school students and teachers.

Join Us & Make A Difference....

New members are welcome and needed...to help support, organize and lead some of our various FUND Raising events. This is a truly a rewarding volunteer opportunity when your child transitions to Cherokee. We are also always on the "look" for new sponsors...your recommendations are needed and welcome! You can also make a monetary donation to the Foundation by pressing the donate "button" on our Web Page!

Our Story...

Our children's educational success here at Cherokee is so important. Founded in 2010 The Foundation's role is to encourage academic achievement by ensuring our students have the tools they need to meet their goals. The goal of the Foundation is to help offset expenses for various activities for our students. We answer teacher requests for tools and resources that may not be in the operating budget and help with travel expenses that may be charged to parents. Our group evaluates each request and votes to allocate funds, if deemed beneficial for our students. We sponsor several **FUND RAISERS** throughout the school year to **raise the funds to accomplish these goals**, and we also allocate funds to provide scholarships.
