	12/13/2017	4/11/2018
	BREAK	5/10/2018

**YES**

## Great Meeting-Welcome New Members

### Recap-Fall Festival

We had an outstanding turn out at the Fall Festival...and in turn our booth was super busy all day. We will be mailing thank you notes to our local businesses who donated and ask for their support for next year's event. Wow...we also received a generous donation from one of our basket winners...we are so Thankful! We will gear up for this 2018 event again after the Spring Fling.

### Plan Dine Out Events

Christy will take the lead on sourcing local restaurants to support us. We are hoping to have a few "Dine Outs" before end of year...any ideas or help...please reach out

### Plan College Prep

Thanks Hanh/Amrita! **Our First Event November 15th!**

### And YES let's Start to think "spring"

May 19<sup>th</sup>, 2018 is confirmed for our 5th Annual Spring Craft Show...Indoor vs. Outdoor - Looks like we will move forward with the vendors setting up indoors. Lisa will take the lead on inviting vendors and Christy will be assisting. Goal is to use Google Docs to make the process a bit more stream lined. Food will be sold by the Foundation-Noelle will take the lead... Hot Dogs, Pretzels, Soda, Water, Chips are on the menu. To provide more "passer by" visibility we plan to set the food outside with Canopy coverage & a few tables-giving us an indoor-outdoor event. We also hope to secure a local landscape company to host a booth outside selling flowers, plants, herbs etc. and also attracting more shoppers....more ideas welcome!

**Teacher requests** Steven Rojek Requested **The Brown Choices Program World History Series** for the World Cultures classes-mandatory class for all seniors...we had the chance to chat with Mr. Rojek via a phone call during our meeting so he could explain a bit more about the World History Series and the plans to implement it for all students. It was a unanimous vote to fund this request and we are super excited for this new teaching tool for our all Cherokee students.

## Our Story...

Our children's educational success here at Cherokee is so important. Founded in 2010 The Foundation's role is to encourage academic achievement by ensuring our students have the tools they need to meet their goals. The goal of the Foundation is to help offset expenses for various activities for our students. We answer teacher requests for tools and resources that may not be in the operating budget and help with travel expenses that may be charged to parents. Our group evaluates each request and votes to allocate funds, if deemed beneficial for our students. We sponsor several FUND RAISERS throughout the school year to raise the funds to accomplish these goals, and we also allocate funds to provide scholarships.

**We need "you" ...**
